ENQUIRIES:

- (137) DEVELOPMENT PLAN AMENDMENT APPLICATION IN THE RURAL MUNICIPALITY OF
CORNWALLIS - YOGESH GORADIA O/B/O NEIL D. AND CORIANNE CHAPMAN
-

Councillor Paterson referred to the recent development plan amendment application in the Rural Municipality of Cornwallis by Yogesh Goradia on behalf of Neil D. and Corianne Chapman and enquired whether or not any further discussions on the issue had taken place between the City of Brandon and the Rural Municipality of Cornwallis and further whether or not any response on the above had been received from the Province of Manitoba.

His Worship the Mayor advised that no further discussions had taken place between the City of Brandon and the Rural Municipality of Cornwallis after the Brandon and Area Planning District Board Meeting whereby it was decided by a vote of 5 to 4 to refer it back to the Province of Manitoba to work with the developer and no formal response had yet been received from the Province.

- (138) CITY PAGE ADVERTISEMENT - PESTICIDE BY-LAW
-

Councillor Paterson referred to the City of Brandon Pesticide By-law and noted that at this time of year, everyone had questions regarding same. He enquired whether or not an advertisement on the Brandon Sun City Page outlining the major issues of the by-law could be considered.

His Worship the Mayor advised that the by-law itself could be viewed under the By-law Section of the City of Brandon website, with the full Pest Management Plan available in the Operations Section of that same website, but agreed to take the matter of City Page advertising under advisement.

- (139) SPECIAL CLEAN-UP ACTIVITIES RE: 125 BIRTHDAY CELEBRATIONS
-

Councillor Paterson noted that a number of visitors to the City were expected to attend special events in conjunction with Brandon's 125 Birthday and enquired whether or not any special clean-up activities were planned to ready the City for those visitors.

At the request of the Chair, the City Manager responded that the City had a growing group of volunteers with the Communities in Bloom Program dedicated to keeping our City clean and every effort would be made to have the City in tip top shape for the upcoming celebrations.

(140) COMMUNICATION PLAN UPDATE

Councillor Fitzpatrick referred to previous discussions on a communication plan for the City of Brandon and requested a status update on same.

At the request of the Chair, the City Manager responded that the communication plan was moving forward and further, that the appropriate City staff had been assigned to work on their respective areas. He advised that a written update would be provided to City Council in the near future.

(141) NON-UNION PAY ADMINISTRATION PLAN OVERVIEW

Councillor Fitzpatrick referred to a previous item of business at this meeting whereby City Council approved a pay increase for City of Brandon non-union employees and enquired whether or not an overview of the Non-Union Pay Administration Plan could be provided to City Council.

At the request of the Chair, the City Manager advised that same would be provided to all members of City Council.

(142) PROPOSED WEST END DOG PARK

Councillor Fitzpatrick advised that he had received several enquiries recently from area residents regarding the proposed dog park for the west end of the City and enquired whether or not an update on same could be provided.

At the request of the Chair, the General Manager of Operations responded that additional dog parks were part of the Recreation Master Plan, however the focus for 2007 was a dog park for the east end and other areas of the City would be looked at in 2008.

(143) RECREATION CENTRE GOLF COURSE AND CURLING CLUB - UPDATE

Councillor Fitzpatrick referred to the Recreation Centre Golf Course and Curling Club and enquired whether or not an update on the status of same could be provided.

At the request of the Chair, the General Manager of Operations advised that the request for proposals had now closed and an update would be provided to City Council in the very near future.

(144) 34TH STREET AND RICHMOND AVENUE RECONSTRUCTION

Councillor Fitzpatrick referred to the proposed reconstruction at 34th Street and Richmond Avenue and requested an update on same.

At the request of the Chair, the General Manager of Development Services advised that the design process was currently underway, construction was scheduled to begin mid to late summer and the upgrades were to be completed by late fall of 2007.

(145) CITY PLANNER POSITION - STATUS UPDATE

Councillor Barletta referred to the City Planner position which had been advertised recently and enquired as to the status of that job posting.

At the request of the Chair, the City Manager responded that the competition had closed, interviews were currently being conducted and an offer of employment to an individual was expected by the end of the May.

(146) POTENTIAL HOUSING DEVELOPMENT SITES

Councillor Black referred to recent discussions surrounding housing developments in and around the City of Brandon and noted that he had received calls from area residents enquiring as to the amount of vacant properties in the City that were appropriately zoned for housing projects. He enquired whether or not it was possible for City Council to be provided with a map, inclusive of property owners, of vacant properties zoned for housing. He further enquired whether or not the same type of map could be made available for the Rural Municipalities of Cornwallis and Elton.

His Worship the Mayor agreed to take this matter under advisement.

(147) BOULEVARD MAINTENANCE - DANDELIONS

Councillor Black noted that he had received numerous calls recently from area residents regarding boulevards overrun with dandelions. He enquired what was currently being done to control dandelions, whether or not the property owners who maintained the boulevards were responsible for same and if there were there any public education sessions planned on the use of non-toxic options for the control of dandelions.

His Worship the Mayor advised that the policy of the City of Brandon, as it was for most Canadian cities, was not to spray for dandelions given the short period in which they lasted. He further advised that property owners were only expected to cut the boulevards not to eradicate the dandelions.

Further to this issue and at the request of the Chair, the General Manager of Operations advised that dandelions will grow more in unhealthy grass, therefore keeping grass healthy and well maintained would be an economical, safe way to discourage dandelion growth.

(148) 1ST STREET AND LORNE AVENUE DRAINAGE ISSUES

Councillor Black noted that heavy rains caused a huge puddle to form at the corner of 1st Street and Lorne Avenue which created hazardous driving conditions. He enquired whether or not the Province of Manitoba could be contacted to rectify this problem.

His Worship the Mayor agreed to take this matter under advisement.

(149) CELL PHONE USE BY DRIVERS

Councillor Black referred to a previous enquiry by Councillor Paterson regarding the use of cell phones while driving in the City of Brandon. He noted that at that time, the response had been that cell phone usage by drivers was regulated by the Province of Manitoba and the City had no jurisdiction to regulate same. He further noted that since that time, he had had numerous complaints from area residents about the dangers of cell phone usage by drivers. He enquired whether or not this issue could once again be looked at by the City and consideration given to the prospect of lobbying the Provincial Government to enact some form of legislation in that regard.

His Worship the Mayor agreed to take this matter under advisement.

Further to this issue, Councillor Campbell noted that several cities in the United States had outlawed the use of cell phones by drivers, particularly for text messaging, and enquired whether or not same could be considered for the City of Brandon or even the entire Province.

His Worship the Mayor advised that the City of Brandon had no jurisdiction in that regard, as same was enforced under The Provincial Highway Traffic Act, however he agreed to take this matter under advisement in conjunction with Councillor Black's enquiry.

(150) BIG TRUCKS USING CITY STREETS

Councillor Black advised that he had received numerous calls recently from residents complaining about the number of big trucks using City streets. He noted that they were concerned about the damage to the streets from the heavy trucks and enquired whether or not the Provincial Government could be contacted to review this matter and change regulations on the size and weights of vehicles allowed on City streets.

His Worship the Mayor agreed to take this matter under advisement.

(151) INFRASTRUCTURE

Councillor Black noted that City Council had been advised a few months ago that a system for determining the infrastructure requirements of the City was being worked on and that such a system was to provide a tool for planning priorities for infrastructure spending. He enquired as to when a report on the development of this system was expected.

His Worship the Mayor agreed to take this matter under advisement.

(152) GAMBLING - CASINOS AND VIDEO LOTTERY TERMINAL PARLORS

Councillor Black referred to a letter sent to the Province of Manitoba by the City of Brandon whereby City Council's support for a horse park in Brandon was expressed. He noted that the horse park was not viable without the installment of 150 video lottery terminals (VLT's) of which 80% of the profits would go to the horse park and 20% would go to the Province of Manitoba. He noted that in the subject letter, the City only expressed hope that a positive arrangement between the Province of Manitoba and the horse park owners regarding the VLT's could be reached. He enquired whether or not the City supported only the horse park proposal or the proposal in its entirety, inclusive of the VLT's.

His Worship the Mayor advised that City Council supported the business venture itself but made it very clear at the time, that it would steer clear of the VLT discussions and leave that issue between the applicants and the Province of Manitoba.

(153) RIDEAU PARK UPGRADES

Councillor Black referred to the recent upgrades to Rideau Park, including the removal of the lilac bushes. He enquired as to the plans to replace those bushes and the rest of the planned improvements to the park.

At the request of the Chair, the City Manager advised that removal of the bushes had been completed as part of a safety initiative as the heavy shrubs blocked visibility into the park. He further advised that improvements, including replacing the bushes with trees and less dense shrubbery would continue throughout 2007 as part of the overall City of Brandon Recreation Master Plan.

(154) 22ND STREET AND FALCON CRESCENT

Councillor Campbell referred to a section of 22nd Street in the vicinity of Falcon Crescent whereby the pavement had broken up and noted that there was a sign posted advising motorists of the problem, but that transit buses forced to go around the sign were taking up a whole lane of traffic, causing problems for other vehicles in the area. She enquired as to when the required repairs were expected to be completed.

His Worship the Mayor agreed to take this matter under advisement.

(155) FALCON PLACE CONDOMINIUMS - LOCAL IMPROVEMENTS TAX

Councillor Campbell advised that she had recently received a call from a resident of the Falcon Place Condominiums who enquired about a local improvement levy which had appeared on his 2007 tax statement. She enquired where the property owner could telephone to find out what the local improvement levy was for.

His Worship the Mayor advised that any property owners with questions regarding local improvement levies could telephone the City Clerk's Office or the Treasury Department at City Hall with their address and the staff could then provide the information on any levies for that property.

(156) TAX PROPORTIONING - CONDOMINIUM OWNERS

Councillor Campbell referred to the fact that condominium (condo) owners were taxed at the same proportionate rate as single family dwelling home owners. She questioned the fairness of this proportioning given that condo owners were responsible for all maintenance and infrastructure improvements within their own complex and enquired whether or not this issue could be reviewed by City Administration and a report brought back to City Council.

Further to this issue, Councillor McCrae enquired whether or not a survey of how other Manitoba communities handled proportioning could be included with the above requested review.

His Worship the Mayor agreed to take this matter under advisement.

(157) OPERATIONS DIVISION - VARIOUS ENQUIRIES

Councillor Jessiman advised that he had raised various enquiries with the General Manager of Operations who was to report back to him with her responses. Those enquiries involved a dust problem in the back lane along Richmond Avenue from 1st Street to Elderwood Drive, gravel left on boulevards from chip sealing work which caused problems for residents mowing boulevards, frost boils on streets in the Green Acres area, and property in the area from 17th Street East to 33rd Street East along Richmond Avenue being used as garbage dumping sites.

(158) CITIZENS ON PATROL PROGRAM LINK ON CITY OF BRANDON WEBSITE

Councillor Blight enquired whether or not a link to information on the Citizens on Patrol Program could be established on the City of Brandon Website.

His Worship the Mayor agreed to take this matter under advisement.

ANNOUNCEMENTS:

CANADA GAMES SPORTSPLEX PADDLE POOL

Councillor Paterson announced that he had been advised that the paddle pool located at the Canada Games Sportsplex would not be open this summer. He advised that he had notified the staff at Kirkcaldy Heights School and requested that they notify the parent council.

SOUTH CENTRE WARD MEETING

Councillor Rice announced that a South Centre Ward Meeting was to be held Thursday, May 17, 2007 at 7:30 p.m. at the South End Community Centre and invited all to attend.

HOUSEHOLD HAZARDOUS WASTE DAY

Councillor Rice announced that Household Hazardous Waste Day was to be held Saturday, May 26, 2007 from 10:00 a.m. to 2:00 p.m. at the Civic Services Complex, 900 Richmond Avenue East.

NEEPAWA PARK

Councillor Fitzpatrick announced that a meeting had been held recently regarding the plans for Neepawa Park. He advised that following the meeting, a survey was distributed to area residents and further that once the survey results were tabulated, a second meeting would be scheduled to discuss this issue.

SPRING CLEAN-UP

Councillor Blight announced that spring clean-up was currently underway in the City of Brandon and would continue through to May 27, 2007.

NEWSPAPER ARTICLE - CANADA'S 50 BEST PLACES TO LIVE

Councillor Black announced that he had recently read a newspaper article which reported the results of a survey of Canadians for the 50 best places to live. He further announced that he had been pleased to see that the City of Brandon placed 19 out of the 50 cities in the survey, well ahead of all the Alberta cities, and given that the annual incomes of Brandon residents were much lower than those of residents of Alberta cities, this was quite an accomplishment for our city.

ACCOLADES - CITIZENS ON PATROL CONFERENCE ORGANIZERS

Councillor Blight announced that he had attended the annual Citizens on Patrol Conference held recently in the City of Brandon and expressed accolades to the organizers for a job well done. He noted that approximately 175 people from the 78 Citizens on Patrol Groups across Manitoba had attended and a good time was had by all.

125 BIRTHDAY CELEBRATIONS - GREAT GRANDSON OF THOMAS ROSSER

His Worship the Mayor stated that he was pleased to announce that Tyler Glen of Star FM 94.7 had researched the Rosser family and found the great grandson of General Thomas Rosser, who now resided in North Carolina, and had arranged for this gentleman to attend the 125 Birthday Celebrations on May 30, 2007. He added that General Rosser had been the individual who actually chose the site for Brandon and he looked forward to meeting a relative of that great man.

GENERAL BUSINESS:

(A) DOWNTOWN SUMMIT

Submitted for consideration was a report from His Worship the Mayor dated May 3, 2007 with respect to the above.

Burgess-Barletta

220 That a Downtown Task Force be established with a mandate to develop and implement a Brandon organization similar in concept and purpose to Winnipeg's Centre Venture with a vision for downtown Brandon and to design and implement a communication plan to ensure the community is aware of actions and progress whereby:

- (a) the task force shall be comprised of Mayor Dave Burgess, Councillor Vince Barletta and Councillor Doug Paterson and seven (7) citizens-at-large members who shall be appointed by City Council following these positions being advertised and applied for;
 - (b) the Task Force shall report on its activities to City Council every four months;
 - (c) in 2007, organizational funds for the Task Force shall be provided through the Mayor's discretionary budget, Economic Development Brandon's projects budget line and additional revenue sources to be sought by the Task Force; and
 - (d) 2008 funding for the Task Force shall be determined through the City's regular budget deliberation process. CARRIED.
- (B) PURCHASE OF PROPERTY - THE FORMER SAFEWAY SITE AT 10TH STREET AND VICTORIA AVENUE
-

Considered was a report from the Property and Traffic Coordinator dated May 8, 2007 with respect to the above.

Rice-Jessiman

221 That Two Million Three Hundred and Fifteen Thousand Two Hundred and Fifty Dollars (\$2,315,250) plus applicable land transfer taxes be funded from the Land Acquisition Reserve for the acquisition of the former Safeway site at 10th Street and Victoria Avenue (Parcels A and B, Plan 1751 BLTO) for the future location of the Brandon Police Services Facility. CARRIED.

Jessiman-Black

222 That the above motion be amended by deleting therefrom the words: "Brandon Police Services Facility" and substituting therefor the words: "Safety Building". LOST.

(C) CONSTRUCTION OF UTILITIES AND PUBLIC WORKS PRIOR TO RE-ZONING AND/OR SUBDIVISION APPROVALS

City Council considered a report from the General Manager of Development Services dated May 2, 2007 with respect to the above.

Paterson-Blight

223 That in order to allow developers to commence the installation of utilities and public works in advance of zoning and/or subdivision approval that may be required for such developments, development agreements may be submitted to City Council for consideration and possible approval pursuant to Sub-section 151 (2) of The Planning Act subject to the developer agreeing to the following conditions which shall be contained in each development agreement:

- (a) consideration of such agreements shall only be for land to be zoned RLL Residential Large Lot, RSF Residential Single Family or RLD Residential Low Density Multiple Family (up to and including 4 family dwelling units);
- (b) the developer being prepared to commence such installation fully at his risk and liability and assuming full financial risk and responsibility for any work required in the development agreement without receipt of approvals for re-zoning and subdivision;
- (c) the developer acknowledging that there is a formal approval process including public hearings which may impact the Brandon Planning Commission, Brandon City Council and/or the Board of the Brandon and Area Planning District;

- (d) City Council's approval of the development agreement shall not prejudice the Planning Commission, City Council and/or the Planning District Board or any of its members in their objective consideration of the re-zoning and/or subdivision of the land to be developed and any representation made in respect of the re-zoning;
 - (e) the developer recognizing the right of Brandon City Council to modify the development agreement prior to final approvals of re-zoning and subdivision and confirming he will not object to such modifications; and
 - (f) the developer allowing the registration of the development agreement by caveat against the land to be developed prior to final approvals of re-zoning and/or subdivision. CARRIED.
