MAY 28

Event: Oak Lake

Directions: Hwy 1 west to #254(just past Oak Lake town) then south to the lake. 70km, 1hr

Why? Find ice fishing gear, snowmobile parts, work out winter kinks.

Plan: Meet at 09:00 am, location TBC. I've never been there. Yet.

2-3 dives, out on a bearing. BBQ lunch (hot dogs)

Google Earth Co-ordinates: 49° 40' 27.10"N 100° 42' 45.08"W

| 20 | 21 | 22 | 23 | 24 | 25 | 26 |
| 27 | 28 | 29 | 30 | | | |

JUNE 11

Event Clear Lake Fun Dive

Directions: Hwy 10 North to Riding Mountain Nat'l Park, follow signs to Glen Beag(east end of lake)

Why? Find the bottom. Practive inflating SMBs. Buddy breathing drills. Look at crayfish.

Plan: Dive in teams to practice drills. SI with hot dogs (Now called Dive Dogs!). Fun dive.

Google Earth Co-ordinates: 50° 40' 35.94"N 99° 55' 11.24"W

JUNE 18

Event: Pelican Lake

Directions: South of Brandon 1hr 10min at Ninette. Hwy 10 south to 2, then east to 18, south on 18.

Why? Determine suitability of Pelican Lake for future dives, generate site map

Plan: Meet at the east end of Lake st(parking lot) at 9:00 am

Dive 1: Follow contour across the lake and back (navigation practice)

2nd dive from Manhattan beach unless there is a lot to see at the first dive site.

Google Earth Co-ordinates: 49° 23' 59.48" N 99° 37' 38.82" W
