1. Meeting called to order by Mark Tokle at 7:15 p.m.
2. President congratulated Kellie & Mark Addison on their marriage.
3. Treasurer's report – at present the Club has \$878.29 in the bank account with no outstanding debt.
4. Membership report – membership is up until December 31, 2009. All current membership is due January 1, 2010 with the exception of the newly certified students that were certified this past summer. Their membership will expire December 31, 2010.
5. General discussion was held regarding the poor attendance at the Scavenger Hunt dive and most recent Pumpkin Dive. It was the general consensus that due to low attendance at these dives, timing of these events may be the factor. It was decided that the Scavenger Hunt will now be the last SUNDAY of June and the Melon Dive will be in mid September. Possibly these dates will entice members to come out before going for summer holidays and take in a fun event for winding down the dive season.
6. Mark Addison to complete paperwork for Pumpkin dive to be submitted to MUC to receive \$100.00 funding for MUC sanctioned dive.
7. Ed Burridge stated that after the next newsletter, he will be stepping down as newsletter editor. It was suggested that the newsletter be put on the BSC Web Page to save on printing, envelope & postage costs. Kellie Addison expressed interest in taking on the position of newsletter editor providing someone will take over as co-events chairperson. She would also need assistance with members providing articles.
8. Mark Tokle to contact Parks Canada regarding repairs needed on the dock at the Glen Beag dive site.
9. Xmas Party was discussed with tentative dates being November 27 or December 4. Events chairpersons to contact various locations. Once details confirmed, email will be sent out to members
- 10.
